Children for Charity volunteers must participate in at least six projects from November 2008 - December 2009 in order to qualify for a Blossom Volunteer Award. Blossom Volunteer Awards are handed out at our Family Volunteer Day event every November. Award recipients receive a trophy along with free admission to the event for themselves and up to four family members (Registration is regularly $5.00 per registrant). We appreciate your hard work and dedication to making the world a better place and thank you for volunteering with Blossom!
